As our high school years draw to a close, we look back upon these wonderful years as students of Decaturville School with fond regret. This annual, *THE RAMBLER*, will serve as a lasting memory.

We hope we have included memories for each and everyone of you, and that you enjoy reading this annual as much as we have enjoyed compiling it.

# *Dedication*

She, through her faithful support of all school activities, her friendly hellos, and her high ideals, has given guidance to the students of Decaturville High School and to many who have gone on.

As a means of honoring and paying tribute to one who has given so much time and effort to this school and to her fellow citizens, we, with the greatest of love, respect, and admiration dedicate this annual to
